

The background of the slide is a repeating pattern of stylized botanical line art in a light blue-grey color. The patterns include various leaves, seed pods, and floral motifs. A white rectangular box with a thin border is centered on the slide, containing the title and event information. A solid grey rectangular tab is positioned at the top center of this white box.

# Licensing Issues

## ❖ Music

OneLicense.net – encompasses most Catholic hymnody  
CCLI, etc. – separate license

## ❖ ICEL and USCCB – Mass Texts and Lectionary Readings

## ❖ **Why should my parish invest in purchasing a license?**

# Licensing Issues

## ❖ OneLicense.net

- ✓ Print License - worship aid
- ✓ Podcast Licensing - any other media that is not print (Facebook, YouTube, Website, TV)

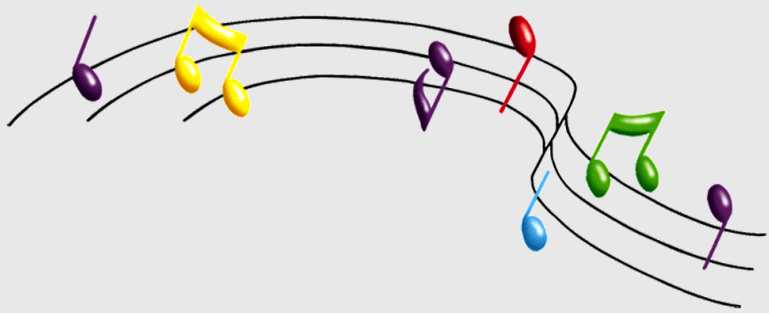

Subscriptions are on a yearly basis  
Cost is based on number of household

**Our parish bought the missalettes, so why can't we just photocopy the songs and readings we are using for that particular Sunday?**

**We have a small parish, under 50 families, why can't we purchase a missalette for every family and let them take them home?**

# Licensing Issues

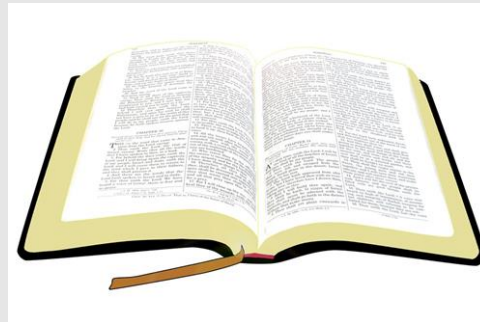

- ❖ In this time of the COVID-19 Pandemic, purchasing a license makes sense. Especially if you have a subscription to missalettes. Not being permitted to use them, this money is essentially going to waste.
- ❖ If you feel you may have difficulty in affording a subscription, there are creative ways to find funding. Perhaps a parish organization: K of C, Altar Society, etc. or a family in memorial of a loved one would agree to donate the cost of a license.

# Licensing Issues

## ❖ Mass Texts and Lectionary Readings

- ✓ ICEL - MASS TEXTS
- ✓ USCCB - LECTIONARY READINGS (one time use only)

**❖ *Any form of written or media communication for liturgical use must contain licensing notations.***

# Licensing Issues

## ***How to Acknowledge ICEL Texts?***

The copyright acknowledgment should include:

- ❖ the name of the ICEL text,
- ❖ the copyright symbol,
- ❖ year of publication,
- ❖ ICEL's corporate title (may be abbreviated),
- ❖ and the phrase "all rights reserved."

# Licensing Issues

## ICEL Citations

- Excerpt from the English translation of The Roman Missal © 2010, International Commission on English in the Liturgy Corporation. All rights reserved.

# Licensing Issues

## ICEL Citations

For *multiple* excerpts, the following must be printed on

- the inside front cover, or
  - at the very end of the worship aid
- 
- Excerpts from the English translation of The Roman Missal © 2010, International Commission on English in the Liturgy Corporation. All rights reserved.

# ICEL Reprint Licensing

## **Publications for One-Time Use**

- No royalty is charged for reprinting ICEL translations in a publication for use at a specific Mass or celebration of an individual congregation or institution.
- ICEL grants permission to those institutions or congregations reprinting its texts or music in publications for one-time use.

# ICEL Reprint Licensing

## **Publications for More than One-Time Use**

- No royalty is charged on publications for more than one-time use such as hymnals and other participation (*worship*) aids containing ICEL texts and produced by parishes or schools for their individual use, provided that the group printing this publication does not sell it.

### ***HOWEVER***

- Permission must be obtained from ICEL for the inclusion of ICEL texts in publications for more than one-time use.

## **ICEL Permissions**

All requests for multiple use permission should be directed to the

# USCCB Lectionary Reprint Licensing

**YOU ARE NOT PERMITTED TO PRINT THE READINGS OUT EVERY WEEK WITHOUT A LICENSE FROM THE USCCB**

- No written permission or fee is needed to reprint Mass readings for special, one-time liturgies (e.g. wedding Mass, confirmation Mass, etc.)
- The official texts must be used, and the appropriate acknowledgements must be printed beneath the readings
- Written permission and the appropriate license is needed for all other uses of the Lectionary texts

# USCCB Lectionary Reprint Licensing

The Confraternity of Christian Doctrine (CCD) owns the copyright on the *New American Bible, revised edition*. The copyright protects the integrity of the text so that unauthorized changes are not introduced.

For parishes that regularly reprint the text of the Sunday readings in their worship aid, a reprint license is required, in addition to the music reprint license.

During these months of COVID 19, the USCCB allowed a grace period on licensing fees during the previous liturgical year, ending on November 28, 2020.

**"As of November 29, 2020, licensing will again be required to reprint the readings for Sundays and major feasts in a digital or paper worship aid. To obtain a license, please send an email to [nabperm@usccb.org](mailto:nabperm@usccb.org) with "Sunday Readings License" as the subject. Provide the parish name and address along with the number of copies you will produce (or the average number of downloads if digital). Staff will reply as soon as possible with a license which will serve as your invoice. Please mail a check to the address given on the invoice (along with a copy of the invoice itself) to complete the order." (from USCCB.com)**

# What about screens?

- ***The USCCB does not recommend the use of screens, however during the COVID pandemic, they seem to be effective.***
- ***If you do use screens, all of the information contained in this presentation also applies.***
  - ***Onelicense.net # has to be present on the screen***
  - ***ICEL needs to be given credit for Mass texts (it is recommended only to project those parts of the Mass that may still be confusing to the congregation [i.e. Confiteor, Gloria, Nicene Creed]).***
  - ***Scripture readings must not be projected unless a license is purchased from the USCCB.***

# Worship Aid Design

- ❖ Simple Design
  - ✓ MS Word
  - ✓ MS Publisher
  - ✓ Extra bulletin space
- ❖ Complex Design - a host of publishing software

**(TEMPLATES AVAILABLE UPON REQUEST)**

- ❖ OneLicense.net has options for:
  - ✓jpg
  - ✓tiff
  - ✓text only
  - ✓pdf (not recommended)
